

building construction design

www.buildingconstructiondesign.eu

netMAGmedia Ltd (formally Parker Ellis Publishing Ltd) is pleased to announce the launch in June 2009 of our new online title and website; **building construction design (bcd)**. **bcd** will initially be distributed to the inboxes of 50,000 building professionals working on current projects throughout the UK. The distribution is made up of housebuilders, architects, specifiers, selfbuilders, renovators, merchants and tradesmen.

The publication will be available online as a turn-page product. In addition **bcd** will have an associated website containing information on thousands of companies and products. www.buildingconstructiondesign.eu

In addition to the complete magazine each of the ten sections will be available as stand alone searchable digital issues. This will enable readers to find the information they require quickly and efficiently.

For more information on the publication or its website please call the sales team on
